Rationale and Selection Process

While the Fund is not required to comply with EU audit reform mandatory rotation requirements, in line with industry best practice of consideration of auditor rotation after a fixed period of time, the Audit Committee of the Management Company initially recommended, and the board of directors of the Management Company (the "**Board**") approved, the proposal to appoint a new auditor to the Fund. The proposed change of auditor is unconnected to the performance of PwC or any issues connected with the financial statements of the Fund.

In order to assess which entity was best placed to be appointed as the new auditor of the Fund, a robust selection and assessment process was then undertaken. Several firms participated in this process consisting of multiple rounds of written and verbal engagement and queries and concluded with live presentations. Based on an assessment of each firm's performance and qualifications, the Audit Committee of the Management Company subsequently recommended, and the Board approved, the proposal to appoint KPMG Ireland as the new auditor of the Fund. The Board believes that the appointment of KPMG Ireland is in the best interest of the Unitholders as a whole.

No action is required from Unitholders in respect of the proposed change of auditor outlined in this Notice. If you have queries concerning the matters outlined in this Notice, please contact your tax advisor, local agent, or (if none) Vanguard Asset Management, Limited on +44 203 753 4305.

Yours faithfully,
